

## Bill of Material

### SAEISS baja 2026 Team Dirt Demon Racing

| Item No | Item Description                   | UoM     | Quantity | Process   |
|---------|------------------------------------|---------|----------|-----------|
| DDR001  | Roll Cage                          | Kgs     | 21       | Welded    |
| DDR002  | Steering Wheel                     | Nos     | 1        | Purchased |
| DDR003  | Steering Rack & Pinnion            | Nos     | 1        | Purchased |
| DDR004  | Steering Spindle & Universal Joint | Nos     | 1        | Purchased |
| DDR005  | Univarsal joint                    | Nos     | 1        | Purchased |
| DDR006  | Rack End joind                     | Nos     | 2        | Purchased |
| DDR007  | Upper Wishbone                     | Kgs     | 3        | Welded    |
| DDR008  | Lower Wishbone                     | Kgs     | 2.5      | Welded    |
| DDR009  | Tyre                               | Nos     | 4        | Purchased |
| DDR010  | Rim                                | Nos     | 4        | Purchased |
| DDR011  | Front wheel axil                   | Nos     | 2        | Machined  |
| DDR012  | Front Knuckle                      | Kgs     | 3        | Machined  |
| DDR013  | Front Hub                          | Nos     | 2        | Machined  |
| DDR014  | Wheel Bearing                      | Nos     | 4        | Purchased |
| DDR015  | Eye Mounting                       | Nos     | 42       | Machined  |
| DDR016  | Drum                               | Nos     | 4        | Purchased |
| DDR017  | Brake Shoe                         | Nos     | 4        | Purchased |
| DDR018  | Master Cylinder                    | Nos     | 2        | Purchased |
| DDR019  | Brake oil liner                    | Nos     | 4        | Purchased |
| DDR020  | Suspension Base plate              | Nos     | 4        | Machined  |
| DDR021  | Spring                             | Nos     | 4        | Purchased |
| DDR022  | Damper                             | Nos     | 4        | Purchased |
| DDR023  | Seat                               | Nos     | 1        | Purchased |
| DDR024  | Seat belt                          | Nos     | 1        | Purchased |
| DDR025  | Accleration Pedal                  | Nos     | 1        | Machined  |
| DDR026  | Brake Pedal                        | Nos     | 1        | Machined  |
| DDR027  | Accelarator wire                   | Nos     | 1        | Purchased |
| DDR028  | Trailing Arm                       | Kgs     | 2        | Welded    |
| DDR029  | Stabilizer                         | Kgs     | 1.25     | Welded    |
| DDR030  | Fuel tank                          | Nos     | 1        | Purchased |
| DDR031  | Propeller Shaft                    | Nos     | 2        | Welded    |
| DDR032  | Kohler Engine                      | Nos     | 1        | Purchased |
| DDR033  | Centrifugal clutch                 | Nos     | 1        | Purchased |
| DDR034  | Gearbox                            | Nos     | 1        | Purchased |
| DDR035  | Plummer Block                      | Nos     | 6        | Purchased |
| DDR036  | CVT                                | Nos     | 1        | Purchased |
| DDR037  | V-Belt                             | Nos     | 1        | Purchased |
| DDR038  | Chain Sprocket                     | Nos     | 2        | Purchased |
| DDR039  | Chain                              | Nos     | 2        | Purchased |
| DDR040  | Sheet Metal                        | Sq.feet | 9        | Purchased |
| DDR041  | Fastners                           | Nos     | 48       | Purchased |
| DDR042  | Cleve pin                          | Nos     | 24       | Purchased |
